

EPICENTER  
OSLO

WHERE  
NOTHING IS  
BUSINESS  
AS USUAL

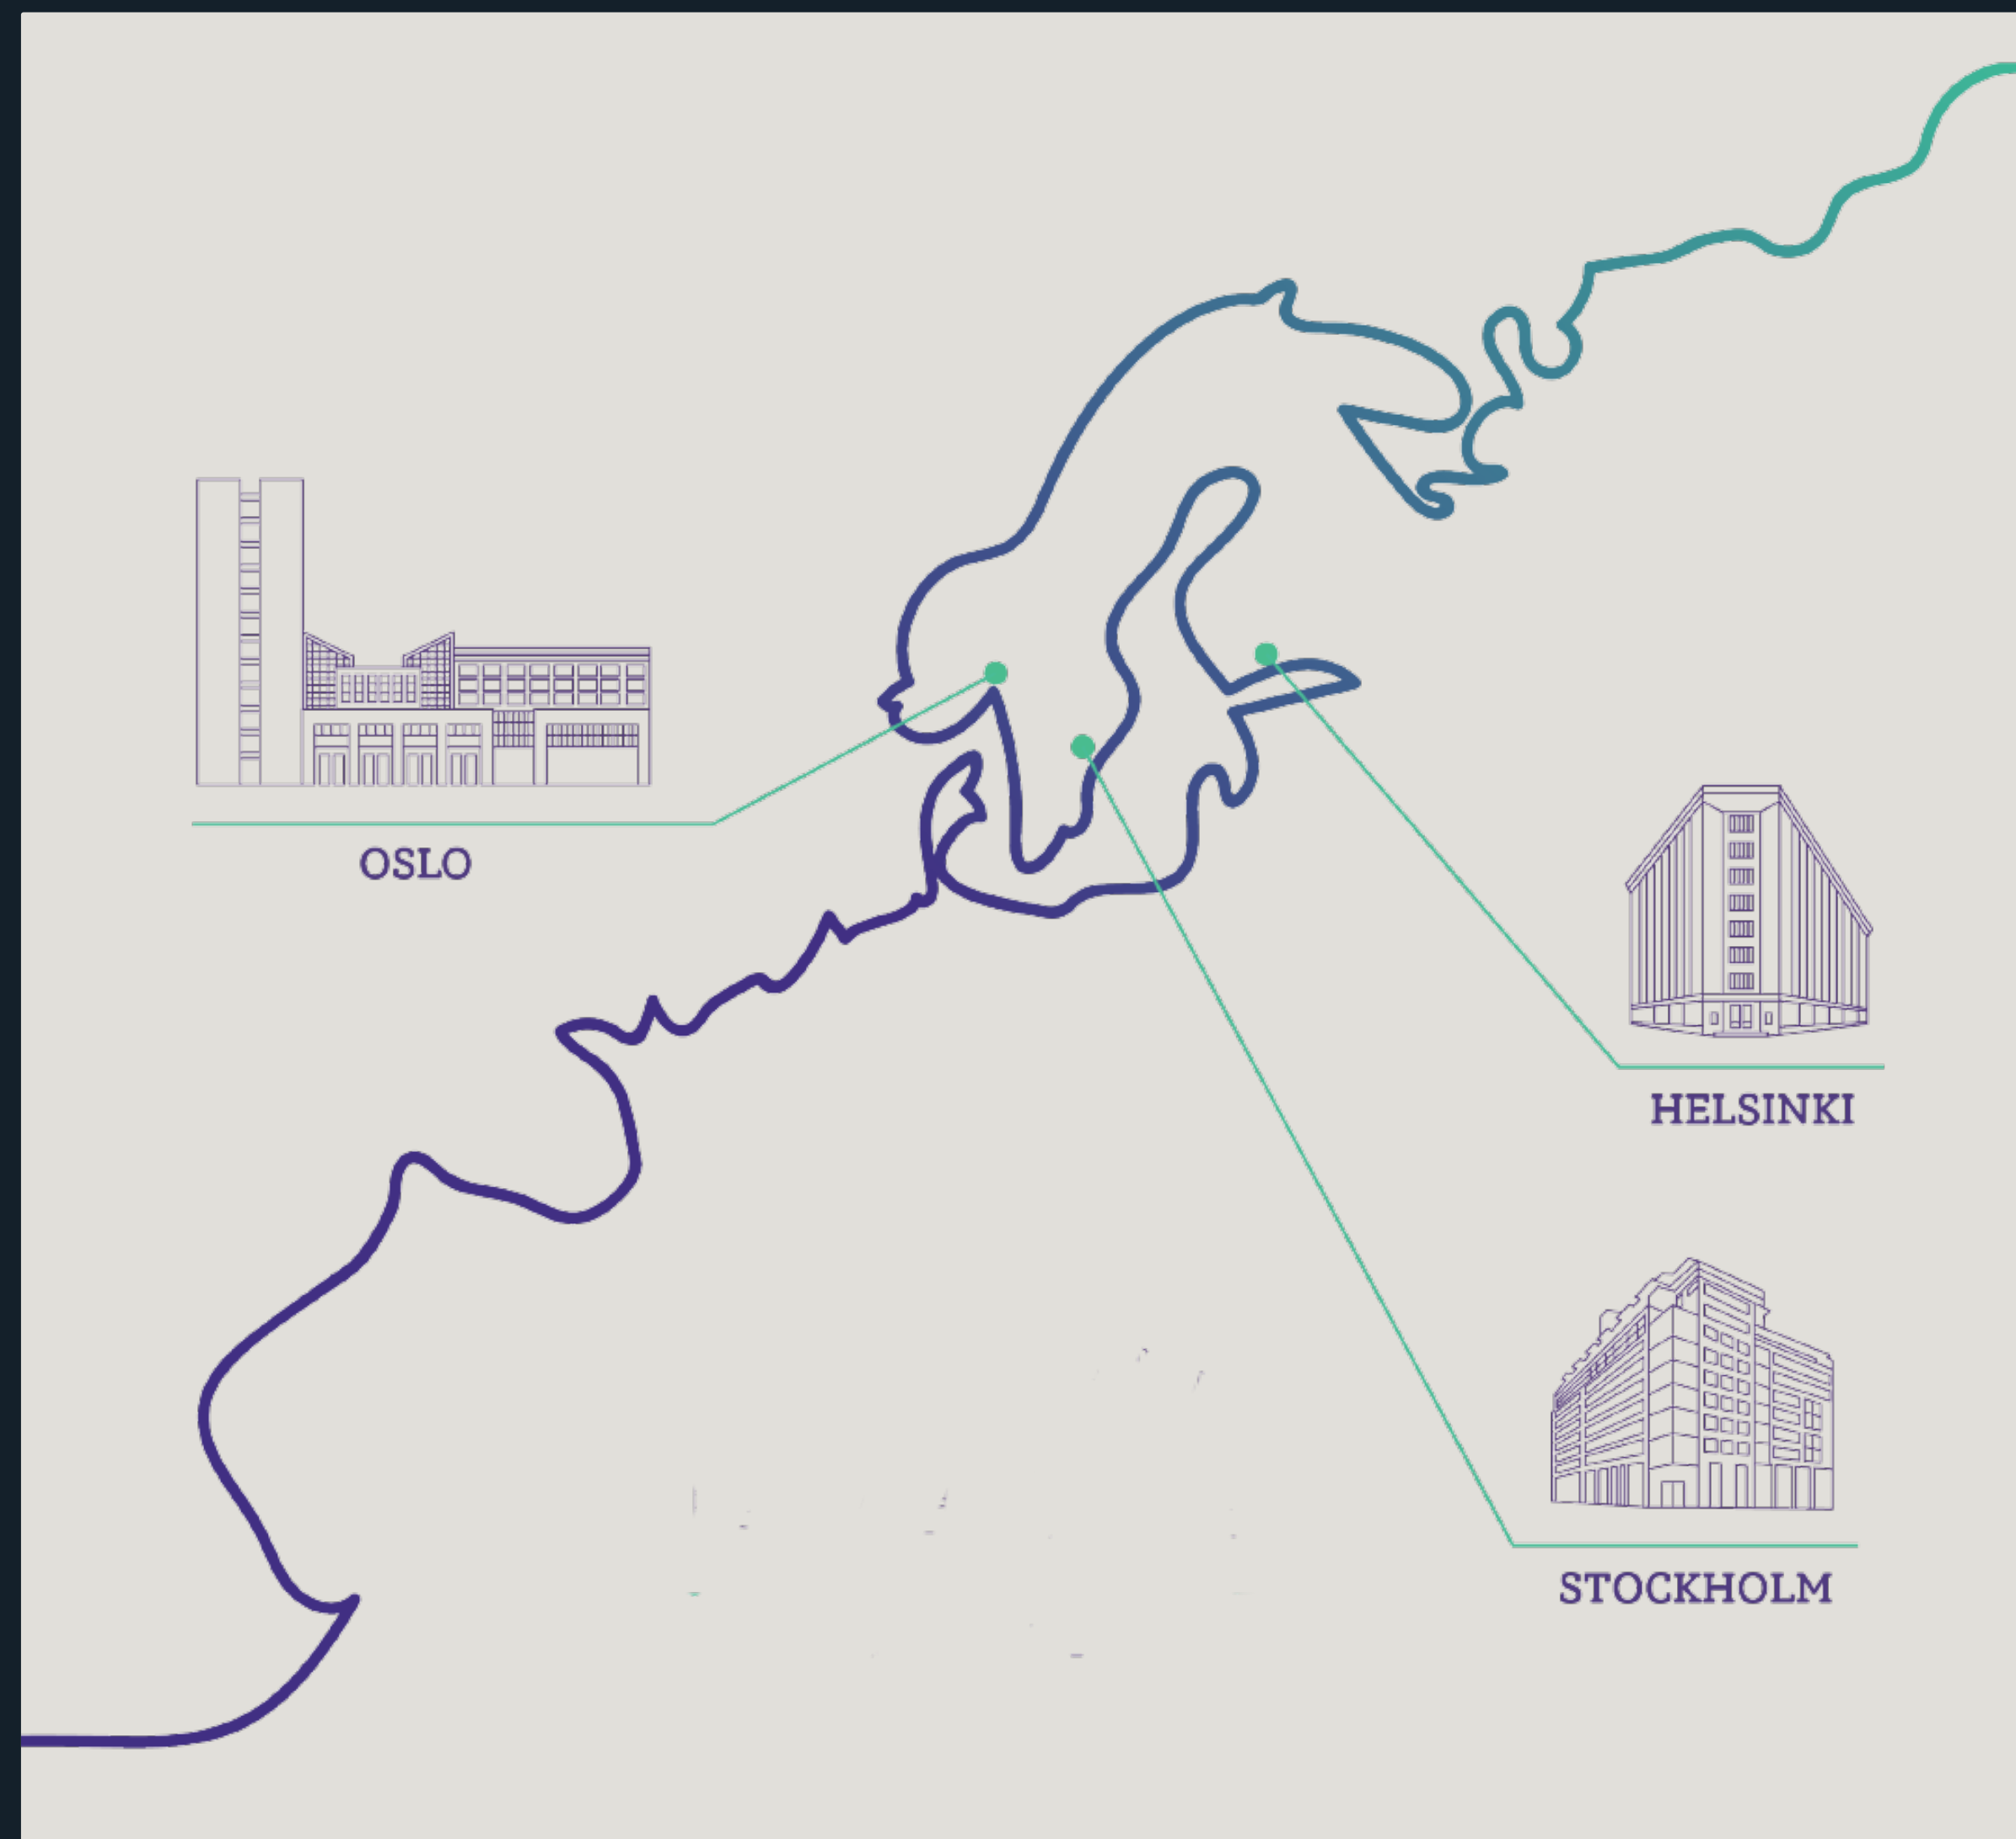

We believe that when the right people come together, anything is possible.

Epicenter is a membership based community dedicated to help scaleup companies and large corporations accelerate their business growth. We do this through our active matchmaking, knowledge sharing, innovation programs and flexible workspace in three European markets.

## A MEMBERSHIP BASED COMMUNITY

P. 3

Epicenter is aimed primarily at companies that want to participate in and contribute to a vibrant community of digital innovation and business development; therefore, the basic offering of Epicenter is a membership, not a lease.

To make sure we are able to help companies at different stages, sizes and locations with access to our community, we have created different memberships for you to choose from.

# PRIVATE OFFICE

Our membership called Private Office, is just that. An office located in one of our private floors. They come in three different sizes, and is a great fit for companies that need more than 14 work desks. They come fully furnished based on your needs.

# MEDIUM

## THIS SIZE COMES WITH:

- Possibility to furnish with up to 32 work desks
- Up to 32 memberships included
- 10 conference room hours per month
- A private kitchen
- One large and three small meeting rooms
- Shared bathroom outside office space
- All member benefits
- Gross approximate 335 sqm
- Net approximate 245 sqm

# MEMBERSHIP BENEFITS

Regardless of what membership you find to fit your needs, we have a bunch of different benefits included. We know you work a lot, so we are here to make sure you can both work hard, and play hard!

# PERSONAL ACCESS

- With our personal memberships, you have access to Epicenter on your personal key card 24 hours a day. No restrictions!
- If you need assistance, do not worry! Our first class service team will go the extra mile for you to make sure you have what you need. We will welcome and register all your guests with a smile, entertain them while they wait for you and celebrate all your business wins together as family!
- If you need dry cleaning, a last minute birthday gift for a colleague or a hotel room in Longyearbyen? No problem!
- We love to help!

# HEALTH & FITNESS

Did you know that working out might boost your creativity?

We do! That's why we have created some benefits to make sure you can stay fresh, fit and fabulous your entire work day.

- Our Epic Gym is open 24/7 with your key card
- Our bike parking is free for all members to use, in our locked parking garage
- Wardrobes with shower facilities available
- Discount on Personal Trainer services in our member's only Epic Gym
- Discount on Physio Therapy with Nemus at Epicenter

# COMMUNITY EVENTS

Knowledge sharing is a big part of Epicenter. Why? Because we believe that sharing knowledge cross industry and cross company is what it takes to drive more and faster innovation.

So at Epicenter we strive to create different activities where members and other get to share knowledge. This is done through our more than 100 annual events and webinars, networks, round table breakfasts, blogs and podcasts.

We also believe that building networks is important. And though Norwegians are not known for their small talk skills, we love to host social events where our members get to meet each other and talk about what they do. Everything you see in our community plan is included in your membership!

# IN HOUSE RESTAURANT

The Norwegian lunch is known for being short & sweet. At Epicenter, we have a large restaurant open for you to use. If you want to bring your 'matpakke' that's fine with us, but do remember that we have a fixed lunch offer for members that sit regularly at Epicenter. Pay per meal. The buffet offers a hot dish, a soup, fresh salads and home made bread!

Should you crave something else, or maybe a fancy coffee? Then Café Storm is here for you.

The lunch restaurant is open on our second floor Monday through Friday 11.00-13.00.

You can also request catering to your private meeting rooms, our conference rooms or private events. Just pop by our service desk, and we will help you!

# MEETINGS, EVENTS & CONFERENCES

Want to gather your team? Great idea!

At Epicenter, we have conference rooms and event spaces available for you. Most of our memberships have a bunch of free hours every month in our conference rooms for up to 12 guests. You simply book them from our digital platform. All have screens for presentation, and some have video conference equipment.

If you need a larger space, just contact us and we will fix events for up to 300 people. There is a discount waiting for you.

With many years of experience from strategical event planning, our team can help you create meeting and events with real impact. From content to catering.
