the interior vision

Your dream home on the front row in Cannes, with uninterrupted panoramic views of the Mediterranean, and immediate proximity to everything the historic city of Cannes has to offer. Stroll along the Croisette, take a morning dip at Plage du Midi, and enjoy life in the footsteps of Grace Kelly and Cary Grant.

As part of &Hamlet's completion process, the apartment will undergo a total renewal: the interior style will be elevated to provide an elegant, warm, exclusive, and inviting atmosphere - worthy of this historical building. All surfaces will be refreshed and given a new color palette, and all furniture and interiors will be brand new. Imagine the elegance of the Carlton Hotel or Le Majestic, with refined and carefully tailored interiors, quiet details, and controlled lines. Luxury in Cannes is calm, confident, and beautifully composed.

As a &Hamlet owner, your family has everything set for unforgettable experiences starting already today — because life's best moments should not be postponed.
